DISCOVERY ARBITRATOR'S ORDER

By letters dated February 8, 2017, the Trustee complains that the Defendants have failed to comply with my discovery order dated December 20, 2016. Specifically, the Trustee contends that the Defendants' Responses to his Requests for Admissions are deficient and that no documents have been produced. The Trustee seeks an order compelling document production, deeming his Requests for Admission to be admitted, and striking any affirmative defenses for which the Defendants have not produced evidence.

Defendants' counsel is directed to respond to this letter by February 20, 2017. Further counsel for the Trustee and for the Defendants are directed to place a call to my Case Manager, Kristen Maccubbin, at (212) 607-2762 to arrange a time later that week for a conference call with me.

SO ORDERED.

Dated: New York, New York
February 14, 2017
